PERFORMANCE CLASS DUAL SELECTABLE CUTOFF WALL PACK

- Just because it's a Wall Pack, it doesn't mean it has to look boring or generic.
- The Performance Class Dual Selectable Cutoff Wall Pack combines dual selectability, high efficacy and LEDVANCE's distinctive SCALE design language, so that our customers can immediately recognize the trusted LEDVANCE quality.
- With an integrated photocell and field installable screw-in sensors, our design language is not just about coherent appearance, but also about functionality and simplicity of use.

PERFORMANCE CLASS DUAL SELECTABLE SLIM WALL PACK

LINE EXTENSION: BLACK AND WHITE VERSION

- The Performance Class Dual Selectable Adjustable Slim Wall Pack is now available in Black and White finishes!
- With the same great features as the Bronze version, the new colors can be used as a full cut off wall pack or as a floodlight.
- Three color temperatures, three lumen outputs, integrated photocell, and adjustable projection angle up 90°, all in one product!

VALUE CLASS CCT SELECTABLE LINEAR SLOT

LINE EXTENSION: CANOPY ACCESSORIES

- To help further support the creation of modern and sophisticated designs with our Value Class Linear Slot portfolio, we are happy to announce a line extension in our suspension kit with canopy accessories.
- The canopy accessories come in black and white finishes, as well as circular and square bases. Customize your space for every unique install.

LEDVANCE LINK™

BLUETOOTH® MESH 20A ZONE CONTROLLER

BLUETOOTH® MESH TIME CLOCK MODULE

3 BUTTON LINE VOLTAGE WALL SWITCH

LINE VOLTAGE DUAL TECH CEILING SENSOR & CONTROLLER

BLUETOOTH® MESH WALL PLUG LOAD CONTROLLER

- LEDVANCE LINK is tailored to be the simplest solution to add wireless controls for wide applications and avoid complicated wiring which saves time and money.
- LEDVANCE LINK offers advanced energy saving features such as motion detection, daylight harvesting, wireless dimming, scheduling, etc.

LEDVANCE NEW LAMPS

LAMPS

LEDlescent™ LED T8 EMBB UL TYPE B LAMP

- The 3 CCT Selectable LEDlescent™ 4-foot T8 Integrated Emergency Battery Back-up lamps are UL 924 and can be paired with UL Type B lamps in CCT of 3500K, 4100K, or 5000K to provide emergency egress lighting within the luminaire in the event of a power interruption.
- This feature provides over 90 minutes of illumination at 430 lumens.
- When mounted in 8-foot ceilings, use one T8 EMBB lamp in the designated emergency fixture to provide adequate footcandles which meets the guidelines for egress lighting during power outages.
